

Study Abroad Cost Planning Worksheet

UNAFFILIATED PROGRAMS

This worksheet is designed to help students understand the total cost for study abroad on an unaffiliated program (AUP or UPP). For assistance with this sheet, please meet with an OIE advisor or watch the Financing Study Abroad presentation in DU Passport. Students are responsible for the accuracy of the information provided in this form. This form is intended as an estimate of costs for the student's planning benefit and may differ from actual costs spent; the OIE is not responsible for verifying the costs indicated by the student below.

STEP 1: Financial Aid- How much financial aid will you receive?

Students on an AUP or UPP can use federal and state aid. **DU aid does not apply.** If you plan to use financial aid and/or scholarships you should contact Financial Aid and/or your scholarship provider directly to discuss if study abroad on an unaffiliated program will change your award. For more information on financial aid and what will apply, please see:

http://www.du.edu/abroad/costs/financial_aid.html

Box A: Total estimated amount of <i>applicable</i> financial aid can be applied toward your study abroad	\$
---	----

STEP 2: Estimate Your Cost Abroad – How much will study abroad cost?

- Determine how much DU will charge you per quarter for participation on an unaffiliated program (academic year students will pay for three quarters of fees).

	2018 fees for one quarter (2019-2020 fees not yet available, subject to change)	Your Term
Technology Fee	\$48	\$
Administrative fee	\$150	\$
INTZ 2502 Course Tuition	\$1,372 (2018 tuition rate; subject to change) <i>Only charged for the first quarter abroad for enrollment in required study abroad course. DU Institutional Aid DOES NOT apply towards this credit Not applicable for Summer study abroad</i>	
Box B: Total		\$

(This is the amount you will be billed for through the DU Bursar's Office on the University's tuition due date.)

- Determine what your unaffiliated program will charge you directly. Unaffiliated programs usually post their fees on their website. Make sure to understand what this fee includes (i.e. does it include housing, meals, on-site support, tuition, etc.). If unsure, contact your unaffiliated program.

Box C: Unaffiliated Program Fee(s)	\$
---	----

- Determine the difference between what your applicable financial aid will cover and what your unaffiliated program will bill you. Note that financial aid dispersal will follow the DU calendar.

Box D: Difference between applicable financial aid and Unaffiliated Program fee (Box C subtracted from Box A)	\$
---	----

4. Determine how much will need to spend on the following additional expenses. Make sure to budget for the entire length of your program. For advice on budgeting in your host country, contact returnees, research travel books, reference your program-specific materials, and review cost of living estimators such as: <http://www.numbeo.com/cost-of-living/comparison.jsp> and <http://www.expatistan.com/cost-of-living>.
