

Estimated Cost of Attendance and Proof Funding Requirements

DU Visiting Student Program

In order for the University of Denver to issue the appropriate certificate of eligibility document needed to apply for your US student visa, you must provide proof you have the financial support for the duration of your academic program. In this document, you will find the estimated cost breakdown for your studies based on your program and duration of study. Kindly note, to provide proof of funding, you will need to meet the total estimated amount and submit the following document(s) in your application.

A bank statement or letter that includes:

- the required minimum amount of currency in the account,
- the required minimum amount in liquid assets (cash assets)- see table below for amount,
- listed account type (i.e., checking, savings, deposit, etc.),
- a date within the past 6 months,
- printed or downloaded from bank with name, address and bank's official logo,
- The name of the account holder (if student is not the account holder, submit a [completed Financial Verification](#) form),
- the name, title, and signature of a bank official (bank letter only), and
- written in English;

Or, a Certificate of Deposit that includes:

- an issue date within the past 6 months,
- the name of the account holder (if student is not the account holder, they submit a [completed Financial Verification](#) form),
- Explicit statement the minimum required amount of currency in the account,
- and written in English.

How much is the minimum required amount? Click the link for your university or program below to find the amount for your program:

[Akita International University](#)

[University of KwaZulu-Natal](#)

[Doshisha University](#)

[University of Tuebingen](#)

[Lund University](#) or [Lund U Law Semester](#)

[University of Western Australia](#) or [UWA Law Semester](#)

[Sciences Po Rennes](#)

[University of York](#)

[University of Glasgow](#) or [Glasgow U Law Semester](#)

[Waseda University](#)

[University of Hong Kong](#)

[Other University \(Study Abroad @ DU\)](#)

Exchange Programs

Official costs for the 2025-26 Academic Year are not yet available. The amount included in the application is Academic Year 2024-25 costs + 5% increase to account for anticipated increases. These amounts are estimates and subject to change. For the sake of clarity, health insurance

costs have been separated. Personal expenses may exceed these estimates depending on the student. All amounts are listed in USD.

If your university is listed below, you will need to provide the amount detailed in the following tables.

Akita International University

University of Glasgow (non-law)

University of Western Australia
(non-law)

Doshisha University

University of Hong Kong

University of York

Lund University (non-law)

University of Tuebingen

Waseda University

Sciences Po Rennes

For 1 quarter: Minimum amount required for proof of funding (includes +5%): **\$9,429**

	2024-25 AMOUNTS	COVERED BY EXCHANGE	EXCHANGE STUDENT RESPONSIBILITY
Tuition	\$20,616	\$20,616	0
