

# Estimated Cost of Attendance and Proof Funding Requirements

## DU Visiting Student Program

In order for the University of Denver to issue the appropriate certificate of eligibility document needed to apply for your US student visa, you must provide proof you have the funding to demonstrate financial support for the duration of your academic program. In this document, you will find the estimated cost breakdown for your studies based on your program and duration of study. Kindly note, to provide proof of funding, you will need to meet the total estimated amount and submit the following document(s) in your application.

A bank statement or letter that includes:

- the required minimum amount of currency in the account,
- the required minimum amount in liquid assets (cash assets)- see table below for amount,
- listed account type (i.e., checking, savings, deposit, etc.),
- a date within the past 6 months,
- printed or downloaded from bank with name, address and bank's official logo,
- The name of the account holder (if student is not the account holder, submit a [completed Financial Verification form](#)),
- the name, title, and signature of a bank official (bank letter only), and
- written in English;

Or, a Certificate of Deposit that includes:

- an issue date within the past 6 months,
- the name of the account holder (if student is not the account holder, they submit a [completed Financial Verification form](#)),
- Explicit statement the minimum required amount of currency in the account,
- and written in English.

**How much is the minimum required amount? Click the link for your university or program below to find the amount for your program:**
